Ferro Rustico (FR)

FT-148 in the **OLD** Ferro Rustico (FR)

P-324 in **OLD** Ferro Rustico (FR)

Ferro Rustico has changed from our initial presentation of the color. It has evolved to a darker rustier look. As with all hand applied patinas, the texture of the piece, the lighting the photograph is taken in and the pigments themselves contribute to a uniquely individual piece of garden art each time.
