P-530 in the **OLD** Terra Nera

P-528 on PD-179 in the **OLD** Terra Nera (TN)

A-399 in **OLD** Terra Nera (TN)

Terra Nera has changed from our original interpretation of this color. Many factors are involved in creating an original hand applied patina which can affect the end result. Due to pigment variations and customer requests for a more black color look, our Terra Nera has evolved to a darker finish.
